

Contract Summary – Additional 0330 Phone Number 24-Month Prepaid Add-On

This Contract Summary is provided for microbusinesses and other business customers.

Supplier: Beacon Communications Ltd trading as VoIP and SIMs, 49 Jamaica Street, Liverpool L1 0AH | Email: support@omnicom.uk | Phone: [0161 507 7999](tel:01615077999)

Service: Additional 0330 non-geographic phone number add-on for a compatible phone system.

Number type: 0330 Non-Geographic Number

Use case: - Can be added at initial purchase or later by an existing phone-system customer.

Base service requirement: - Requires a compatible active phone system or digital landline service that supports additional numbers.

Special caps or exclusions: - 0330 number type and call treatment depend on platform support.

Setup and activation: This is a number add-on service. It does not include a setup helper. Service starts when the add-on has been configured and activated.

Price: You pay upfront for the selected prepaid term shown on the product page and your order. Any separately ordered porting, delivery, add-ons or out-of-bundle usage are charged separately where applicable.

Contract length and ending: This is a fixed prepaid add-on term of 24 months. Unless otherwise stated, the service ends automatically at 23:59 on the last day of the selected prepaid term.

Porting: Number porting may be available where offered. Existing landline or phone-system number porting rules apply. Pre-Order Validation only applies where relevant to landline or phone-system porting.

Base contract effect: This add-on does not automatically reset or replace the base service term unless expressly agreed.

Emergency calls and service quality: Service quality depends on your internet connection, local network, device compatibility and power supply. Calls to 999 and 112 should work where the underlying service supports them, but location information may not be automatically available. You should keep another way to contact emergency services.

Complaints: Email: complaints@omnicom.uk | Phone: [0161 507 7999](tel:01615077999)
