**Service:** Cloud Mobile number upgrade add-on for Omni Communicator S, converting the user to an Omni Communicator S Mobile setup.

**Number type:** First Cloud Mobile Number Upgrade

**Use case:** - Upgrades an existing Omni Communicator S user to Omni Communicator S Mobile. Can be added at initial purchase or later where eligible.

**Base service requirement:** - Requires an active Omni Communicator S phone system to upgrade.

**Special caps or exclusions:** - Changes service functionality from Omni Communicator S to Omni Communicator S Mobile.

**Setup and activation:** This is a Cloud Mobile upgrade add-on. It does not include a separate setup helper. Service starts when the upgrade has been configured and activated.

**Price:** The recurring monthly charge is shown on the product page and your order. Any separately ordered porting, delivery, add-ons or out-of-bundle usage are charged separately where applicable.

**Contract length and ending:** No separate minimum term. Service ends at 23:59 on the last day of the following month after notice.

**Porting:** Number porting may be available where offered. Existing Cloud Mobile number porting rules apply. Pre-Order Validation does not apply to Cloud Mobile porting.

**Base contract effect:** This add-on changes the user's service from Omni Communicator S to Omni Communicator S Mobile. It does not automatically reset the base service term unless expressly agreed.

**Emergency calls and service quality:** Service quality depends on your internet connection, local network, device compatibility and power supply. Calls to 999 and 112 should work where the underlying service supports them, but location information may not be automatically available. You should keep another way to contact emergency services.

**Complaints:** Email: [complaints@omnicom.uk](mailto:complaints@omnicom.uk) | Phone: [0161 507 7999](tel:01615077999)
