OmniLine CloudNumber Trio Pay Monthly VoIP Digital Landline (Up to 3 Devices) - Monthly Rolling Contract Terms and Conditions

1. About this contract

These Terms and Conditions apply to OmniLine CloudNumber Trio Pay Monthly VoIP Digital Landline (Up to 3 Devices) - Monthly Rolling Contract.

Page | 5

Your contract is made up of:

- (a) the product page and checkout details,
- (b) the Contract Summary,
- (c) the Pre-Contract Information,
- (d) these Terms and Conditions, and
- (e) the linked policy pages referred to in this contract.

2. The service

We supply a pay monthly CloudNumber Trio VoIP Digital Landline service for business use.

The service includes the allowances and features shown on the product page and your order.

Service and platform:

OmniLine CloudNumber Trio VoIP digital landline—unlimited UK calls to landlines (01, 02 & 03) and major UK mobile networks..

Fair usage policy:

2,000 minutes to UK landlines (01, 02 & 03 numbers) + 2000 minutes to UK mobiles (Vodafone, EE, O2, Three)

3. Setup & Onboarding

Setup & Onboarding is mandatory for this product.

The setup item shown in your cart or order forms part of the contract.

We may not activate the service until the required setup steps have been completed.

4. Charges and payment

You must pay the recurring monthly charge shown on your order.

You must also pay any mandatory setup charge and any other charges for separately ordered services or usage, including hardware, hardware pre-configuration, delivery, add-ons, number porting or out-of-bundle usage where applicable.

Recurring charges are billed in advance unless stated otherwise.

Usage-based charges are billed in arrears where applicable.

5. Contract term and cancellation

This is a monthly rolling contract with a 3-month minimum term from activation.

You may give notice at any time, but the service will not end before the end of the 3-month minimum term.

After the 3-month minimum term, the service will end at 23:59 on the last day of the following month after we receive your cancellation notice.

We may suspend or end the service sooner if you do not pay, misuse the service, give us false information, or seriously breach the contract.

6. Barred and additional services

Calls to non-geographic, premium-rate and international destinations are blocked by default unless separately enabled where available.

Any additional services, add-ons or out-of-bundle usage are charged separately where applicable and are only available where we agree to provide them.

7. Devices, broadband and emergency access

You are responsible for providing compatible devices, power and internet access.

Service performance depends on factors outside our reasonable control, including your broadband connection, local network and equipment.

Calls to 999 and 112 should work, but location information may not be automatically available, and the service may fail during a power cut, broadband failure or internet outage.

You should keep another way to contact emergency services.

8. Number porting and related services

Number porting is only included where you order it.

If you order landline number porting, the relevant paperwork required validation details and the Number Porting page form part of the contract for that service.

Pre-Order Validation only applies where relevant to landline porting.

9. Refunds

Refunds and cancellations are subject to the Refunds & Returns Policy.

Activated services, Digital Landline setup, submitted ports, completed Setup & Onboarding work and completed validation work are not refundable once started or completed, except where we are at fault, the law requires otherwise, or we expressly agree otherwise.

10. Price changes and additional terms

Price changes and additional service terms are set out on the Price Changes & Additional Terms page.

That page forms part of this contract.

11. Business use

This service is sold for business use.

Any consumer cancellation rights only apply where the law requires them to apply.

12. Liability

Nothing in this contract limits liability where the law does not allow that.

Subject to that, we are not liable for indirect loss, loss of profit, loss of data, or loss caused by broadband failure, internet failure, power failure, equipment failure or services outside our reasonable control.

13. Changes

We may update these Terms and linked policy pages where we are allowed to do so.

Where required, we will give notice by website notice, email or another suitable method.

14. Support and complaints
